

Soumodeep Roy

roysoumodeep8@g.ail.com | +91-7718560353 | [GitHub](#) | [LinkedIn](#) | Siliguri, West Bengal, India

Objective

Full-stack developer skilled in the MERN stack, Next.js, and Firebase. I have experience building scalable and responsive web apps with clean and maintainable code. I am open to remote and on-site opportunities.

Education

Bachelor of Technology in Information Technology

Jul 2025

Siliguri Institute of Technology, West Bengal, India

CGPA: 8.2/10

Technical Skills

Languages: C++, JavaScript ES6
Web: HTML5, CSS3, TailwindCSS, React.js, Next.js, Node.js, Express.js,
Database: MongoDB, MySQL
Tools/Other: Git, VS Code, REST APIs, Postman, Figma

Projects

- **DevConnect – Developer Social Network** — MERN Stack *Ongoing*
Built a social networking platform for developers that offers user authentication, profile creation, post systems, and follow/unfollow logic.
- **BlogSide – Blog platform** — MERN Stack *[Git Repository](#)*
A fullstack blogging system with authentication, markdown support, and a rich-text editor. Built using MongoDB, Express, React, and Node.js.
- **Portfolio** — Nextjs *[Live Link](#)*
Designed and deployed a personal portfolio to showcase skills, projects, and contact info. Mobile-responsive and hosted on Vercel.

Experience

Fullstack Developer Intern

Learnstrick Edutech

- Designed, developed, and tested responsive full-stack applications using the MERN stack.
- Implemented authentication, CRUD operations, and RESTful APIs following best practices.
- Documented code, integrated third-party libraries, and collaborated with team members to deliver real-time features.

Key Competencies

- Analyze, develop, and maintain software applications with proper system integration.
- Participate in all phases of SDLC including requirement gathering, design, testing, and documentation.
- Proficient in debugging, validating outputs, and optimizing performance.
- Capable of working with modern technologies and exploring new methodologies for robust software design.

Achievements

- Completed multiple full-stack projects independently and in teams with code quality and documentation.

Declaration

The information provided above is true to the best of my knowledge and belief.
